# YOUR PARTNER FOR PRODUCT DEVELOPMENT

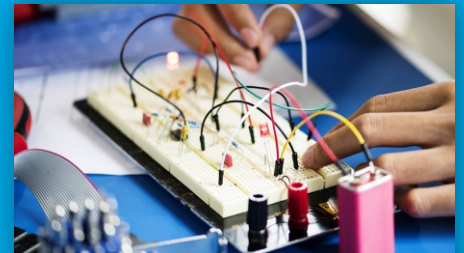

## THE DESIGN HUB – FROM IDEA TO REALITY

THE DRAWING BOARD

COMPUTER AIDED DESIGN

PROTOTYPE

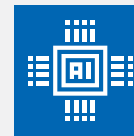

## THE TECHNOLOGIES – BASIC TO ADVANCE

Mechanical  
Design

Aerodynamics  
Design

Electronics  
Design

At SusTek we convert your conceptual idea into reality. We are expert in product design and manufacturing. SusTek specializes in product development of hi-tech assemblies and have the capability to develop initial design and details. We help our customer to develop proof of concept, prototype, and small volume production of their requirements.
